

# Utah's Wildfire Activity

For the Week of July 12 to 18

**Only One Large Fire Currently Burning in Utah: Morgan Cyn (70%) 509 ac**

**Of the 87 starts between July 12 & 18, 86 of them were fully suppressed within the first day.**

## 2021 TOTAL ACRES

**20,747\* Acres Human-Caused**  
**38,560 Lightning-Caused**  
**59,372 Acres Total**

\*Updated human-caused acres due to corrected figures last week

**With the majority of wildfire starts this past week being lightning-caused, it appears Utah residents and visitors have used "Fire Sense".**

**Of the 22 human-caused fires, most were preventable. Keep using good judgement and leave the fire starting to the thunderstorms.**

- **Be careful when towing a trailer and make sure tires are properly inflated.**
- **All campfires should be thoroughly extinguished after use.**
- **Campfire restrictions are widely in place throughout the state, check [utahfireinfo.gov](http://utahfireinfo.gov)**
- **Do not use exploding targets, steel ammunition or rocks/dry grass as a backstop when shooting.**

**You know the fire drill.  
Douse your campfire.**

**PREVENT WILD FIRES**

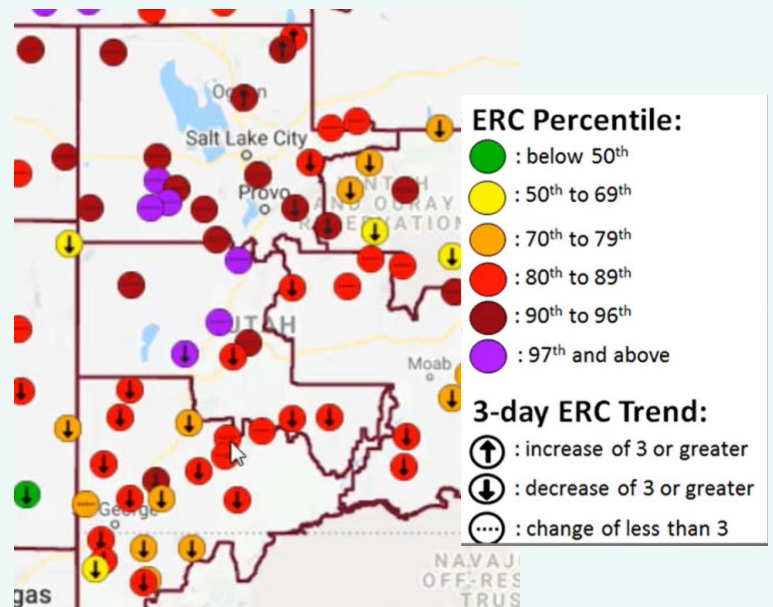

For the period of July 12-18	2021	2020	2019	10-Year Average
TOTAL WILDFIRE STARTS* July 5-11	87	73	58	71
Human-Caused	21	47	34	31
Naturally-Caused	62	26	18	36
Unk. or Under Investigation	4	0	6	4

During this period:

- There were 0 injuries resulting in lost time
- No Structures were destroyed
- 84 of the 87 fires were stopped before reaching 10 acres

**Firefighters have responded to 648 wildfires so far in 2021 and thanks to their efforts, 586 of them (90%) were extinguished before reaching 10 acres.**

## Outlook:

- Mixed thunderstorm activity expected throughout Utah
- Fuels are very dry and ERC percentiles are at record levels in many locations
- Southern Utah ERC percentiles improving with precipitation
- Monsoon beginning to have an impact in S Utah
